N.Y. Gov. Andrew Cuomo's Judith Clark Commutation a Travesty

New York, NY -- December 30, 2016 – "The irony that Governor Cuomo has chosen to commute the Sentence of Judith Clark this year – a year in which 64 police officers were killed in the line of duty (a 56% increase over 2015) – is an insensitive, uncalled for insult to every police & security officer and their families." said Ralph M. Purdy, President of the United Federation of Police Officers."

Ms. Clark was an active and willing participant in the murder of Sgt. Edward O'Grady and Officer Waverly Brown of the Nyack police, and Peter Paige, a Brink's guard. We join Rockland County Executive Ed Day in his condemnation of today's action by the Governor. "The blood of Nyack police Sgt. Edward O'Grady, Officer Waverly 'Chipper' Brown and Brinks guard Peter Paige will be on her hands until the day she dies, Judith Clark is a domestic terrorist. Her only place in a civilized society is behind bars."

Our fervent hope is that the NYS Parole Board will not join Governor Coumo in this heinous act by granting her parole.
